Experience

INTERNAL SOFTWARE DEVELOPER | HYPERFORM INC. | JULY 2022 - PRESENT

- Wrote and maintained applications mostly written in C# that automates and simplifies company operations.
- Integrated applications with SAP Business One, Salesforce, Microsoft SQL Server, Internet Information Services and Azure.
- Maintain Python scripts from previous position.
- Departmental transfer from Gulf Coast Castaway Customs after acquisition.

PYTHON DEVELOPER | GULF COAST CASTAWAY CUSTOMS | SEPT 2021 – JULY 2022

- Wrote and maintained a Python plugin to automate processes in RhinoCAD.
- Building and testing is done with Jenkins.
- Mostly independent position with limited direct supervision.

Education

BACHELOR OF SCIENCE | COMPUTER SCIENCE | JUNIOR | UNIVERSITY OF FLORIDA | 2024

3.73 GPA

Leadership

MARCHING BAND OFFICER | SOUTHEAST HIGH SCHOOL | 2016 - 2020

Senior year I was the Drum Major (leader of the entire band) managing around 80 students:

- Created and executed practice schedules
- Led all games and performances
- Taught and trained other officers and band members.

CYBERSECURITY CLUB FOUNDER AND PRESIDENT | SOUTHEAST HIGH SCHOOL | 2020

As president of my cybersecurity club, I was responsible for planning, scheduling, and running all meetings, as well as organizing competitions and member dues.
